

How to access JSTOR

1. While on the E-resources page, scroll down and click “JSTOR”

The screenshot shows a web browser window with the URL tangaza.remotexs.co/home. The page displays a list of e-resources under the heading "E-Databases". A blue arrow points to the "JSTOR" entry in the list. The list includes various databases such as Annual Reviews, EBSCO Host Research Databases, Encyclopedia Britannica, Gale Expanded Academic and Health & Wellness Resource Center, Geological Society & The Lyell Collection Complete, Global Digital Library on Ethics & Theology, IMF eLibrary, Institute for Operations Research and Management Sciences (INFORMS), IOPscience, Liebert Online, OECD iLibrary, Oxford English Dictionary, Review for Religious (full text), Royal Society of Chemistry & RSC Journals Archive, Sedos (now online only), Society for Industrial and Applied Mathematics Journals (SIAM), Theology Library, and Wiley Online Library Full. Below the "E-Databases" section, there are sections for "E-Books" and "Repositories". A "Help" button is visible in the bottom right corner.

| E-Databases | |

2. Enter your search terms or query in the Basic Search screen and click “Search”

The screenshot shows the JSTOR website interface. At the top, there is a browser tab bar with several tabs open, including 'Inbox (134) - agave', 'Inbox (373) - sagav', 'Gmail', '(52) This is a M...', '(1) Facebook', 'Koha > Circulation >', 'Tangaza University >', 'Tangaza University >', 'Tangaza University >', and 'JSTOR'. The address bar shows 'Not secure | jstor.org.tangaza.remotex.co'. A cookie notice banner is visible below the address bar. The main content area features the JSTOR logo on the left and navigation links for 'Log In', 'Register', 'About', and 'Support' on the right. A central search box is highlighted with a green arrow pointing to the input field and a blue arrow pointing to the search button. Below the search box, there are links for 'Advanced Search' and 'Text Analyzer BETA'. Three promotional cards are displayed below the search box: 'NEED ACCESS TO JSTOR?', 'OPEN ACCESS CONTENT', and 'COVID-19 Disruption Help'. At the bottom, there is an 'Explore JSTOR' section with links for 'By Subject', 'By Title', 'Get Access', 'Support', 'About JSTOR', 'Mission and History', 'JSTOR Labs', and 'JSTOR Daily'. A 'For Librarians' button is also present. Social media icons for Twitter, Facebook, YouTube, LinkedIn, and Tumblr are shown, along with the text 'JSTOR is part of ITHAKA, a not-for-profit'.

3. Once you have the result you can limit it further to the **academic content** you need clicking the check boxes. This could either be Journals, book chapter or research reports

The screenshot shows a web browser window with the URL `jstor.org.tangaza.remotex.co/action/doBasicSearch?Query=Covid19&acc=on&wc=on&tc=off&group=none`. The page displays search results for 'Covid19' on the JSTOR platform. On the left side, there is a 'Refine Results' sidebar with several filter sections: 'Search Within Results' (with a search input), 'Academic Content' (with checkboxes for Journals (1), Book Chapters (1), and Research Reports (64)), 'Primary Source Content' (with a checkbox for Documents (3)), 'Publication Date' (with 'From' and 'To' input fields), 'Subject' (with checkboxes for Economics (1) and Population Studies (1)), and 'Access Type'. On the right side, the main search results area shows 'Showing 1-25 of 69 search results'. The first three results are 'RESEARCH REPORT' entries: 1. 'Combating COVID 19: Policy Options for Pakistan' by Sustainable Development Policy Institute (Mar. 21, 2020), marked as OPEN ACCESS. 2. 'Covid-19 in sub-Saharan Africa' by African Population and Health Research Center (Apr. 8, 2019), marked as OPEN ACCESS. 3. 'Chinese measures to cope with COVID-19 (p. 3)' by Abid Qayyum Suleri, Sustainable Development Policy Institute (Mar. 1, 2020), marked as OPEN ACCESS. Each result has buttons for 'Download PDF', 'Save', and 'Cite this Item'. A yellow arrow points from the text above to the 'Academic Content' filter section in the sidebar.

4. You can also limit the **Publication Date** depending on the range of years you want the results to be

The screenshot shows a web browser window with multiple tabs. The active tab is JSTOR Search Results. The address bar shows the URL: `jstor.org.tangaza.remotex.co/action/doBasicSearch?Query=Covid19&acc=on&wc=on&fc=off&group=none`. A cookie notice banner is visible at the top. Below it, the page header includes the JSTOR logo, a search bar containing 'Covid19', and navigation links like 'Log In', 'Register', 'Advanced Search', 'Browse', 'Tools', 'About', and 'Support'. The main content area displays 'Showing 1-25 of 69 search results'. On the left, a 'Refine Results' sidebar contains filters for 'Search Within Results', 'Academic Content', 'Primary Source Content', 'Publication Date', 'Subject', and 'Access Type'. A blue arrow points from the top of the page down to the 'Publication Date' filter section in the sidebar. The search results list includes three items, each with a 'Download PDF' button, a 'Save' button, and a 'Cite this Item' button. The first result is a research report titled 'Combating COVID 19: Policy Options for Pakistan' from the Sustainable Development Policy Institute, dated Mar. 21, 2020, with an 'OPEN ACCESS' label. The second result is 'Covid-19 in sub-Saharan Africa' from the African Population and Health Research Center, dated Apr. 8, 2019, also with an 'OPEN ACCESS' label. The third result is 'Chinese measures to cope with COVID-19 (p. 3)' from the Sustainable Development Policy Institute, dated Mar. 1, 2020, with an 'OPEN ACCESS' label.

5. You can also select the reference style by clicking on “Cite this item”

The screenshot shows a web browser window with multiple tabs. The active tab is 'JSTOR: Search Resu...'. The address bar shows the URL: jstor.org.tangaza.remotex.co/action/doBasicSearch?Query=Covid19&acc=on&wc=on&fc=off&group=none. A cookie notice banner is visible at the top. The page header includes the JSTOR logo, a search bar containing 'Covid19', and navigation links like 'Log In', 'Register', 'About', and 'Support'. The main content area displays search results for 'Covid19', showing 1-25 of 69 results. On the left, there is a 'Refine Results' sidebar with filters for 'Search Within Results', 'Academic Content', 'Primary Source Content', 'Publication Date', 'Subject', and 'Access Type'. The search results list includes three items, each with a 'Download PDF', 'Save', and 'Cite this Item' button. A blue arrow points from the text 'Cite this item' in the instruction above to the 'Cite this Item' button of the first result: 'RESEARCH REPORT: **Combating COVID 19: Policy Options for Pakistan**'.

6. You can choose among the reference styles that pop up and click “Copy” and paste the reference wherever you need to.

The screenshot shows a web browser window with multiple tabs. The active tab is a JSTOR search results page for 'Covid19'. A modal window titled 'Cite This Item' is open in the center, displaying citation information for a specific article. The modal has a red double-quote icon at the top and a close button (X) in the top right corner. The citation information is organized into three sections: MLA, APA, and CHICAGO. Each section contains the full citation text and a blue 'Copy' button. Below the citation styles is an 'Export Citation' section with links for 'Export to NoodleTools', 'Export to RefWorks', 'Export to EasyBib', 'Export a RIS file', and 'Export a Text file'. The background page shows search filters on the left, including 'Refine Results', 'Search Within Results', 'Academic Content', 'Primary Source Content', 'Publication Date', 'Subject', and 'Access Type'. The JSTOR logo is visible in the top left, and the search term 'Covid19' is in the top center. The page footer indicates '1 of 1' results.

7. To download the file, click on "Download PDF"

The screenshot shows a web browser window with multiple tabs. The active tab is 'JSTOR: Search Resu...'. The address bar shows the URL: [jstor.org/tangaza.remotexs.co/action/doBasicSearch?searchType=facetSearch&cty_journal_facet=am91cm5hbA%3D%3D&sd=&ed=&Query=Covid19&acc=on&wc=on&fc=off&group=none](https://www.jstor.org/tangaza.remotexs.co/action/doBasicSearch?searchType=facetSearch&cty_journal_facet=am91cm5hbA%3D%3D&sd=&ed=&Query=Covid19&acc=on&wc=on&fc=off&group=none). A cookie consent banner is visible at the top. The page header includes the JSTOR logo, a search bar containing 'Covid19', and navigation links like 'Log In', 'Register', 'About', and 'Support'. The main content area shows 'Showing 1-1 of 1 search results' for 'Journals'. A 'Refine Results' sidebar on the left offers filters for 'Academic Content' (Journals, Book Chapters, Research Reports), 'Primary Source Content' (Documents), 'Publication Date', 'Subject' (Population Studies), and 'Access Type'. The search results list a single article: 'Estimates of the Potential Impact of the COVID-19 Pandemic on Sexual and Reproductive Health In Low- and Middle-Income Countries' by Taylor Riley, Elizabeth Sully, Zara Ahmed, and Ann Biddlecom. The article is from 'International Perspectives on Sexual and Reproductive Health', Vol. 46 (2020), pp. 73-76. It is marked as 'FREE' and has 'SUPPLEMENTS'. To the right of the article title is a blue 'Download PDF' button, with 'Save' and 'Cite this Item' buttons below it. A blue arrow points from the text '7. To download the file, click on "Download PDF"' to the 'Download PDF' button. The page number '1 of 1' is displayed at the bottom right.

8. Accept the **terms and condition** by clicking here

The screenshot shows a web browser window with multiple tabs. The active tab is a JSTOR search results page. The browser's address bar shows the URL: `jstor.org.tangaza.remotex.co/action/doBasicSearch?searchType=facetSearch&cty_journal_facet=am91cm5hbA%3D%3D&sd=&ed=&Query=Covid19&acc=on&wc=on&fc=off&group=none`. A cookie notice banner is at the top, and a header indicates access is provided by Tangaza College, The Catholic University of Eastern Africa. The page features a search bar with "Covid19" entered, a search button, and navigation links like "Log in" and "Register". A modal dialog box is centered on the screen, titled "Accept JSTOR's Terms and Conditions Below". The dialog contains the text: "Your use of JSTOR and this content indicates your acceptance of JSTOR's Terms and Conditions. [Read the Terms and Conditions.](#)" and a prominent blue button labeled "I accept, proceed to download". Below the button is a link: "Use your account to permanently save your acceptance." The background search results are partially visible, showing a list of items with details for Taylor Riley, Elizabeth Sully, Zara Ahmed, and Ann Biddlecom, including a "Download PDF" button and "Cite this Item" link.
